Old Business:

Range update:

Fencing: G&F has the materials, do we want to fence it, or have G&F hire a contractor? There is a member of WMPS who used to own a fence company, he wants to look over the site before he commits to overseeing the project. If yes, we will seek help from the members.

This will require a power auger and pneumatic post pounder to set corner posts and tee posts.

Bill Weldon to contact G&F to see if they have these items.

Seth to check locally about rental costs.

Jim to check with Cowboy shooters for equipment.

Request for volunteer help to be put on club web site.

Insurance:

The required insurance data has been forwarded to the NRA endorsed provider. We are awaiting a response.

Bin Blocks:

Bill Weldon has been in contact with Chief Savage of Timber Mesa Fire & Medical. They are in escrow on the property, including the bin blocks. Chief Savage said they will honor the price quoted by the seller for the blocks, minus any they need. Escrow is 90 days.

Range Open House:

Dependent on signing the contract with G&F first - then we can set a date.

Raffle Coordinator: No response to date

New Business:

None
