Under Old Business the President gave a range update.

- A. The Special Use Permit has been sent to Arizona Game & Fish for their signatures. We await the next step in the process. Friday, September 5, 2014, Seth Nadel and Linda Gilbertson attended a BBQ with the Game & Fish Commissioners and friends (group representatives) of G&F. Saturday, Sept. 6, 2014, the Commissioners meeting was held at Show Low City Council Chambers. Seth Nadel thanked G&F and Forest Service for their continued support of the Second Knoll Target Range, and WMSA Inc., looks forward to the continued partnership with both entities.

Under New Business the President gave the order of development of the range.

- A. Fencing is the primary concern once the go-ahead is given. Unknown at this time how dispersal of funds will be handled. Intent at this time is to follow state bid requirements. The Vice President advised that Forest Service wants detailed construction drawings. Bin Block (shooting bay dividers) purchase estimated around \$32,000.00. At this time unsure of availability of Pitman-Rodman Funds or NRA Foundation grants.

The meeting continued with discussion of knowledgeable persons needed to fill crucial positions within range development in the future.

The meeting was adjourned at 6:50pm.

Respectfully Submitted,
Secretary Pro Tem Linda M. Gilbertson
